

Manhattanville in West Harlem Campus Plan

Construction Activities for the Next Two Weeks

Columbia's long-term plan for the old Manhattanville manufacturing area will revitalize the four former industrial blocks from 125th/129th to 133rd Street between Broadway and 12th Avenue, and three small blocks along the east side of Broadway from 131st to 134th Street, into an environmentally sustainable and publicly accessible center for academic and civic life woven into the fabric of the West Harlem community.

Construction Activities for the Weeks of February 10, 2025 and February 17, 2025

600 W. 125th Street

Current Phase of Construction: Grading Adjacent Lot and Punchlist

- Noisy work should be expected during most days during this phase of construction.
- This phase is anticipated to be complete by the end of the first quarter of 2025.

What is Happening During the Next Two Weeks:

- Overnight work to install a new sidewalk along Broadway in front of 600 W. 125th Street anticipated to start mid or late February, pending necessary approvals. The MTA requires this work to take place during the overnight hours to minimize impacts to pedestrians and subway riders.
- Finishing drywall and painting on upper floors
- Removal of protection at neighboring buildings
- Grading and installation of drainage at adjacent empty lot
- McDonald's is constructing their new restaurant space on the ground floor

-Please note that all activities are subject to change based on weather and other field conditions-

What to Expect

- Working hours are 7:00 a.m. to 8:00 p.m. Monday to Friday. Some work may also be performed after hours and on weekends from 9:00 a.m. to 5:00 p.m. in accordance with all necessary permits.
- Overnight work anticipated in mid or late February (pending necessary approvals) to install a new sidewalk on Broadway in front of 600 W. 125th Street.
- Note that the contractor will begin daily set-up preparations 30 to 60 minutes before work commences and will perform site clean-up 30 to 60 minutes after work is completed.
- Although contractors carefully stage construction activities to minimize disruption to the surrounding community, the nature of construction work is such that some disruptions will occur. Expect some noise, vibration, dust, and other related impacts due to construction.
