

Manhattanville in West Harlem Campus Plan

Columbia's long-term plan for the old Manhattanville manufacturing area will revitalize the four former industrial blocks from 125th/129th to 133rd Street between Broadway and 12th Avenue, and three small blocks along the east side of Broadway from 131st to 134th Street, into an environmentally sustainable and publicly accessible center for academic and civic life woven into the fabric of the West Harlem community.

Construction Activities for the Weeks of July 27, 2026 and August 3, 2026

What is Happening

Beginning Monday, July 27, Columbia University will commence work on a temporary open space on Site 4 of the Manhattanville campus, located at the corner of 125th Street and 12th Avenue. Columbia University is pleased to provide this temporary open space for public use. The temporary space will include paved pathways, grass, plantings, and fixed seating, and work is anticipated to be complete by the end of 2026, weather permitting.

Construction activities for the weeks of July 27 and August 3 include:

- Removal of electrical conduits and cables from the existing construction fence.
- Delivery of temporary toilets for workers and silt fence.
- Installation of construction barricades at the western gate on West 130th Street.

-Please note that all activities are subject to change based on weather and other field conditions-

What to Expect

- Work hours are 7:00 a.m. to 3:30 p.m., Monday to Friday.
- Expect noise and other impacts typically associated with construction projects.
