

Manhattanville in West Harlem Campus Plan

Columbia's long-term plan for the old Manhattanville manufacturing area will revitalize the four former industrial blocks from 125th/129th to 133rd Street between Broadway and 12th Avenue, and three small blocks along the east side of Broadway from 131st to 134th Street, into an environmentally sustainable and publicly accessible center for academic and civic life woven into the fabric of the West Harlem community.

Construction Activities for the Weeks of October 5, 2026 and October 12, 2026

Site at 125th Street and 12th Avenue

- Demolition of existing slab on grade on the west part of the site. Work may cause some noise and vibrations.
- Grading the site to meet new elevations.
- Backfilling underground stormwater concrete structures and piping.
- Starting electrical work for the new light poles.
- Trucking soil and concrete debris off-site to disposal facilities.
- Integrated pest control site-wide.

-Please note that all activities are subject to change based on weather and other field conditions-

What to Expect

- Work hours are 7:00 a.m. to 3:30 p.m., Monday to Friday.
- Expect noise, vibrations, delivery of materials, and other impacts typically associated with construction projects.
