Construction Update

# Manhattanville in West Harlem Campus Plan

Columbia's long-term plan for the old Manhattanville manufacturing area will revitalize the four former industrial blocks from 125th/129th to 133rd Street between Broadway and 12th Avenue, and three small blocks along the east side of Broadway from 131st to 134th Street, into an environmentally sustainable and publicly accessible center for academic and civic life woven into the fabric of the West Harlem community.

## Construction Activities for the Weeks of November 23, 2026 and November 30, 2026

### Site at 125th Street and 12th Avenue

- Importing clean fill and topsoil then compaction to grade the site to meet new elevations at west portion of the site
- Pouring concrete at new sidewalk at 125th Street
- Demolition, excavation, and off-loading soil offsite at west portion of the site
- Completing the western stormwater gallery and inspection by the NYC Department of Buildings
- The installation of the new site perimeter fence is ongoing
- Installation of new light pole bases and pulling cables
- Installation of irrigation system piping

*-Please note that all activities are subject to change based on weather and other field conditions-*
