RE: 2nd Quarter 2023 Report for
Columbia Manhattanville Project/MWL Submissions

Dear [REDACTED]

On behalf of Turner Construction Company, as the agent for the Owner, I confirm to the best of my knowledge and information that the information in the schedule of the Minority/Women/Local Owned Business ("MWLOB") Participation Utilization Plan is prepared based on documentation and information received from the trade contractors working on the Columbia University Manhattanville Project.

Turner, as the Owner's agent, further confirms that it has, based on available information and representations from Columbia's trade contractors, provided to Columbia the required MWL documentation for Minority, Women-owned and locally-based Business Enterprise participation as outlined in the EEO requirements in the Exhibit E. Notice to Bidders to Turner Construction contract with Columbia for MWL compliance reporting. The documentation utilizes the business Enterprise Schedule of Minority Women Local-Owned Business Participation (Schedule E) as the primary source for MWL compliance reporting. The data generated from this source, which Turner Construction submits quarterly to Columbia for analysis and approval, is used to produce quarterly summaries of spend.

Turner additionally confirms as the Owner's agent it has, based on available information and representations from Columbia's trade contractors, provided to Columbia the required MWL documentation for Minority, Female and Local Workforce participation as outlined in the EEO requirements in Exhibit E. Notice to bidders to Turner contract with Columbia for MWL compliance reporting. Turner continues to review the certified payroll submissions for Columbia's trade contractors to verify compliance with Columbia's guidelines for proper completion of workforce employee information (such as: name, address, zip code, gender and ethnicity).

If you have any questions or require additional information, please do not hesitate to contact me directly.

Sincerely,
