The camp offers athletics, arts & crafts, and team-building games in a collegiate setting over 9 weekly sessions. Campers will have access to Columbia’s top-notch Division 1 Athletic facilities and a competent and caring staff comprising of coaches, student-athletes, and teachers. The goal of Cubs Camp is to provide a memorable summer camp experience while promoting teamwork, friendship, and self-confidence in a safe community. Campers are encouraged to work and play together and try new things.

Cubs Camp is offered either at Dodge Fitness Center or Baker Athletics Complex to allow campers to experience all of Columbia’s athletic facilities. Specific weeks correspond to each location.

Swimming
Supervised recreational swim offered Tuesday-Friday while at Dodge Fitness Center. Campers will be able to swim in a 25-yard pool for 45-60 minutes. The Aquatic Director and staff emphasize pool rules, including a ‘buddy system’ based on swimmer ability to ensure we maintain a fun, safe pool environment. Necessary forms must be submitted in order for individual children to swim! Swimming is not mandatory but is encouraged; those who do not wish to swim will have other activities available to them.

Private swim lessons are available upon request; please contact 212-854-4439 for more information.
(30-minute session; $40 for private lesson, $60 for groups of 2-4 kids).

Golf
The goal of our Golf Lessons at Cubs Camp is to provide a fun, educational, and exploratory experience for our campers. Through the methods of the PGA, juniors will be trained in the fundamentals of golf including putting, chipping, and driving. Basic etiquette and fundamental knowledge of the game will also be covered. Space is limited to 10 participants per session.
No experience is necessary and all equipment is provided. Lessons will be held during a portion of the Cubs Camp day. Golf will be offered during sessions 2, 3, 5, and 9, all of which take place at Dodge Fitness Center.

Summer at Columbia: Programs Bring Local Students to Campus

By Kevin Brannon

Bringing young people to campus for summer internships and camps is part of a continuing effort to make the University’s resources available to our neighbors. One such program provides scholarships for children in the Manhattanville/West Harlem area to attend Roarre’s Cubs Camps, a sports program for children 6 through 12. Another program offers paid, five-week summer internships for high school students.

Columbia’s Summer Program for High School Students at the School of Continuing Education, now in its 27th year, offers an opportunity for high-achieving students to get a taste of college life. The students take part in organized sports and community outreach projects and attend college prep classes. Scholarships are available to students nominated by local community organizations.

Information on how to apply for Summer 2014 programs as well as details on other Columbia community programs and services can be found on page 6.

Design for Excellence: New Sports Center Reflects Commitment to Athletics and Community

The New York Times has called Columbia’s new Campbell Sports Center a building that shows both its “brain and its brawn,” which makes perfect sense for a facility meant to support the University’s athletic and academic excellence.

The sports center isn’t the only change coming to the athletics complex, which faces the waterfront in Inwood Hill Park. The University is building the Boathouse Marsh, which will restore the park’s salt marsh and create public access to previously inaccessible waterfront along the Harlem River.

Made possible through the generosity of numerous donors, the facility is named in honor of Columbia’s trustee chair, William V. Campbell, who was the captain of Columbia’s football team in 1961. Campbell, recalling his years as a Columbia linebacker, and later the team’s coach, described the dilapidated Baker Field, when he coached there in the 1970s, as “not a welcoming place.” Today, by contrast, “we have a stadium, now we have a welcoming gate, now we have an athletics facility that the students, the faculty, the alumni and the neighborhood will all be glad to be a part of.”

Camp Program:

The camp offers athletics, arts & crafts, and team-building games in a collegiate setting over 9 weekly sessions. Campers will have access to Columbia’s top-notch Division 1 Athletic facilities and a competent and caring staff comprising of coaches, student-athletes, and teachers. The goal of Cubs Camp is to provide a memorable sports summer camp experience while promoting teamwork, friendship, and self-confidence in a safe community. Campers are encouraged to work and play together and try new things.
Cubs Camp is offered either at Dodge Fitness Center or Baker Athletics Complex to allow campers to experience all of Columbia’s athletic facilities. Specific weeks correspond to each location.
Swimming
Supervised recreational swim offered Tuesday-Friday while at Dodge Fitness Center. Campers will be able to swim in a 25-yard pool for 45-60 minutes. The Aquatic Director and staff emphasize pool rules, including a ‘buddy system’ based on swimmer ability to ensure we maintain a fun, safe pool environment. Necessary forms must be submitted in order for individual children to swim! Swimming is not mandatory but is encouraged; those who do not wish to swim will have other activities available to them.
Private swim lessons are available upon request; please contact 212-854-4439 for more information.
(30-minute session; $40 for private lesson, $60 for groups of 2-4 kids).
Golf
The goal of our Golf Lessons at Cubs Camp is to provide a fun, educational, and exploratory experience for our campers. Through the methods of the PGA, juniors will be trained in the fundamentals of golf including putting, chipping, and driving. Basic etiquette and fundamental knowledge of the game will also be covered. Space is limited to 10 participants per sessions. No experience is necessary and all equipment is provided. Lessons will be held during a portion of the Cubs Camp day. Golf will be offered during sessions 2, 3, 5, and 9, all of which take place at Dodge Fitness Center.

MEDICATION ADMINISTRATION FORM (MAF): PARENT/GUARDIAN'S CONSENT AND AUTHORIZATION

2011-2012

I hereby authorize the storage and administration of medication, as well as the storage and use of necessary equipment to administer the medication, in accordance with the instructions of my child's physician. I understand that I must provide the school with the medication and equipment necessary to administer medication, including non-VENTOLIN inhalers. Medication is to be provided in a properly labeled original container from the pharmacy (another such container should be obtained by me for my child's use outside of school); the label on the prescription medication must include the name of the student, name and telephone number of the pharmacy, licensed prescriber's name, date and number of refills, name of medication, dosage, frequency of administration, route of administration and/or other directions; over the counter medications and drug samples must be in the manufacturer's original container, with the student's name affixed to that container. I understand that if I provide an asthma inhaler, it must be supplied in its original and UNOPENED medication box. I further understand that I must immediately advise the principal and/or his/her designee(s) especially the school nurse of any change in the prescription or instructions stated above. I understand that no student will be allowed to carry or self-administer controlled substances.

I understand that this Authorization is only valid until the earlier of: (1) June 29, 2012 (This prescription may be extended through August if the student is attending a New York City Department of Education (the "Department") sponsored summer instruction program); or (2) such time that I deliver to the principal or his/her designee(s) and nurse a new prescription or instructions issued by my child's physician regarding the administration of the above-prescribed medication. By submitting this MAF, I am requesting that my child be provided with specific health services by the Department and the New York City Department of Health and Mental Hygiene ("DOHMH") through the Office of School Health ("Osh"). I understand that part of these services may entail an assessment by an OSH physician as to how my child is responding to the prescribed medication. Full and complete instructions regarding the provision of the above-requested health service(s) are included in this MAF. I understand that the Department, DOHMH and their agents, and employees involved in the provision of the above-requested health service(s) are relying on the accuracy of the information provided in this form. It is my intention that my child will be provided with health service(s) according to the information and instructions that are provided in this MAF. I further understand that the Department, DOHMH and their agents are not responsible for any adverse reaction to this medication.

I recognize that this form is not an agreement by the Department or DOHMH to provide the services requested, but, rather, my request, consent and authorization for such services. If it is determined that these services are necessary, a Student Accommodation Plan may also be necessary and will be completed by the school.

I hereby authorize the Department, DOHMH and their employees and agents, to contact, consult with and obtain any further information they may deem appropriate relating to my child's medical condition, medication and/or treatment, from any health care provider and/or pharmacist that has provided medical or health services to my child.

SELF-ADMINISTRATION OF MEDICATION: Initial this paragraph for use of an Epi-Pen, asthma inhaler and other approved self-administered medications:

I hereby certify that my child has been fully instructed and is capable of self-administration of the prescribed medication. I further authorize my child's carrying, storage and self-administration of the above-prescribed medication in school. I acknowledge that I am responsible for providing my child with such medication in containers labeled as described above, for any and all monitoring of my child's use of such medication, as well as for any and all consequences of my child's use of such medication in school. I further hereby authorize the Department, DOHMH, their agents and employees; including the principal, his/her designee(s), school nurse and my child's teacher(s), to administer such medication in accordance with the instructions of my child's physician should my child be temporarily incapable of self-administering such medication. I understand that the school nurse will confirm my child's ability to self-carry and self-administer in a responsible manner with the school. In addition, I agree to provide "back up" medication in a clearly labeled bottle to be kept in the medical room in the event my child does not have sufficient medication to self-administer.

I also authorize the principal, his/her designee(s) and school nurse to store and/or administer to my child such medication in the event that my child is temporarily incapable of self-storage and self-administration of such medication.

I hereby certify that I have consulted with my child's health care provider and that I authorize the Office of School Health to administer stock VENTOLIN in the event that my child's asthma prescription medication is unavailable.

You must send your child's Personal Metered Dose Inhaler(MDI) with your child on a school trip day in order that he/she has it available. The stock VENTOLIN is only for use while your child is in the school building.

CUBS CAMP CODE OF CONDUCT

Camp Philosophy and Behavioral Expectations

Every camper has the right to a happy and safe experience at Cubs Camp. All Cubs Camp sessions focus on developing the sports skills of every camper and addressing the collective needs of the group. Our goal is to help each camper develop new skills and a greater appreciation of his/her capabilities. We hope to provide a community setting in which children will have the ability and confidence to explore new activities and meet new friends. Every experience is a learning experience and it is the responsibility of the counselors to provide a well-rounded program for all children. We aspire to create a safe and stimulating environment for all campers - an environment where sensitivity, respect for others, and cooperation are valued.

Code of Conduct

The code is intended to be a guide for general behavior for the Cubs Camp community and includes the following expectations:

1. Each person is respected and valued.
2. Each person has a responsibility to help make camp a better place.
3. Each person is expected to choose appropriate behaviors and language and encourage others to do so.
4. Each person is expected to think about the results of one’s actions and how they impact others.
5. Each person is expected to solve disagreements by talking, listening and compromising

Consequences for Inappropriate Behavior

If a counselor is unable to resolve a conflict through discussions, redirections, and reviewed expectations, staff will proceed with the following steps:

1. The Counselor gives an official warning, which includes a clear explanation of the concern and suggestions for alternative behaviors that should be used in the future. Age appropriate activity adjustments and/or time-outs may be used.
2. The Counselor gives a second warning. The Camp Director talks with the camper about expectations and communicates with parent(s) explaining the concern.
3. A conference with the camper, parent(s), Camp Director will be arranged to discuss a plan of action for resolution of the concern. This could include suspension from camp for a period of time. No refunds will be made for any time a camper is suspended due to inappropriate behavior.

If the situation is judged by the administration to be very serious, the above steps may be waived and a parent/guardian may be asked to pick up the child from camp and the camper may be asked not to return to camp for a designated period of time.

• Please read and discuss this code of conduct form with your child. Sign this form and return it to camp in order to complete your registration.
