Obligation Start Date: Summer 2010
Obligation End Date: Summer 2014 (5 Summers)*
Obligation Status: In Compliance

Obligation

Summer Internships. Commencing in 2010, CU shall create a pilot program for up to 15 summer internships per year for high school students with one-third selected from the local community and two-thirds from the upper level students at the School to support academic and research interests of students. The program shall begin with five students from the local community and add 10 students from the new School when students reach the upper grades and qualify for such an internship. The internships shall initially take place in CU’s existing facilities and shall move to the new Academic and Academic Research buildings proposed within the Project Site when constructed. After five years the program shall be reviewed by leadership of the School and CU with the intent of modifying, extending the size and/or renewing the program upon mutual agreement.

* Following the summer 2014 internship program, CU will meet with the principal of the school to determine modification, expansion, and/or renewal of the program as described in the obligation above.

High School Summer Internship Program

In partnership with the local community, Columbia University is offering paid summer internships throughout its various schools and departments for local* high school students to gain real work experience before graduation.

Previous work experience is a plus, but not required. Internships begin July 7, 2014 and end August 8, 2014. All interns will be paid a rate of $8.00 per hour.

The deadline for application submissions is April 30, 2014.

Interns must have strong interpersonal, organizational and communication skills. Interns should be able to conduct themselves professionally, listen attentively, show initiative and demonstrate professionalism at all times. Interns must be able to work both independently and within a team environment. Interns also need to be reliable, mature, and responsible with their assigned work duties.

Interns should demonstrate knowledge in Windows and Microsoft Office applications. Interns may also be required to work within database applications and previous experience in this area would be an asset.

Candidates must complete an application form and submit it with their cover letter and/or resume, letter(s) of recommendation, and any other supplemental information needed to accompany your application.

In accordance with New York State Law, all applicants must be able to provide an employment certificate (working papers) before they begin work if selected for an intern position.

*Local is defined as the following zip codes: 10025, 10026, 10027, 10029, 10030, 10031, 10032, 10033, 10034, 10035, 10037, 10039, 10040, 10451, 10454, 10455, 10474
