WHAT’S NEW

In February 2014, the Center for Urban Community Services presented the CEIC with a certificate of appreciation in recognition of our commitment, dedication, and ongoing support of their employment program.

On December 5, 2013, the CEIC was presented with a Rockefeller Foundation 50th Anniversary Grant from the Jobs Plus Program at Historic Community College. The CEIC received the award for its partnership with Jeffrey Houses in the South Bronx, as part of the Center’s local hiring initiative. The award was one of six which Jobs Plus gave to participating organizations for placing a significant number of NYCHA residents in jobs during the past year.

The CEIC works with Jeffrey Houses and other local communities to both support job placement at Columbia and provide free job readiness training.
