Dental Health Screenings for Senior Citizens through the ElderSmile Program. During the summer months, the Mobile Dental Center offers northern Manhattan's elderly population free dental screenings and referrals for further dental treatment at senior centers throughout Washington Heights/Inwood and Harlem. Commencing with the acquisition by ESDC or CU of all Initial Stage 1 Condemnation Parcels, and continuing for a 25-year period from commencement, dental health screenings for senior citizens shall be extended to include NYCHA residents in Manhattanville Houses and General Grant Houses.

Alternatives Based on Changed Conditions

While the Declaration states dental health screenings for senior citizens are offered through the Mobile Dental Van, the service provider has modified the program based on program experience. Dental health screenings for senior citizens are now offered through the ElderSmile Program, including residents in Manhattanville Houses and General Grant Houses.

The dental screening follows a standard protocol using light and tongue depressor, the standard services remain the same. The modification clarifies the program through which the services are provided. The Mobile Dental Center focuses on pre-school children. The ElderSmile Program focuses on seniors.
