Tenants on Block 1998, Lot 38 were successfully relocated in December 2016.

The University has established a demolition contract for the building located at Block 1998, Lot 29. The University worked with ESDC and New York City to successfully transfer title of the building. Demolition was completed November 11, 2019.

Section 5.03(a) Milestone Obligations for Stage 1  
Road Closing Schedule**

Section 2.07(b) of the Declaration, provides:

Declarant shall use reasonable good faith efforts to complete construction in such a manner that the following anticipated road closing schedules may be met, measured from Declarant's commencement of closure of a street for excavation in such street for construction of the Below-Grade Facility and, as to West 129<sup>th</sup> Street, the construction of utilities, within the Project Site:

**2.07(b)(i) During Stage 1: (A) West 129<sup>th</sup> Street shall be closed for less than six months; (B) West 130<sup>th</sup> Street shall be closed for no more than three years; (C) portions of West 131<sup>st</sup> Street shall be closed for periods totaling up to three years; and (D) closure of West 130<sup>th</sup> Street and West 131<sup>st</sup> Street shall not overlap, except when closure of both streets is required on a temporary basis.**

Declarant at all times uses reasonable good faith efforts to complete construction in a manner to minimize road closings. In all cases, Declarant obtains required DOT and other required permits in connection with road closings. The information provided below describes the longest consecutive street closures as of October 15, 2018.

- A. Prior to the commencement of Stage 1, West 129<sup>th</sup> Street was closed for 173 consecutive days for the construction of underground utilities. Construction of underground utilities is now completed. During Stage 1, West 129<sup>th</sup> Street has since been closed three times; 133 consecutive days from January 23, 2017 to May 26, 2017, 182 consecutive days from June 22, 2017 to December 22, 2017, and 236 consecutive days from January 8, 2018 to September 1, 2018. - B. West 130<sup>th</sup> Street was closed for 781 consecutive days and was reopened on October 31, 2015, The western portion of 130<sup>th</sup> Street was closed for a total of 40 days and reopened on March 20, 2020. The entirety of West 130<sup>th</sup> Street is now open.
- C. The entirety of West 131<sup>st</sup> Street has not been closed. (The eastern portion of West 131<sup>st</sup> Street was closed for 238 consecutive days. It was closed again in November 2016 and reopened on November 11, 2019. A public hearing regarding this closure was held on 9/27/2016.)
- D. During Stage 1, West 130<sup>th</sup> Street and West 131<sup>st</sup> Street have not been closed simultaneously.

As anticipated, additional street closures ranging from one day to longer have been required from time to time to accommodate construction and safety requirements in connection with specific Project or New Building construction, to transport equipment or supplies, to connect New Buildings to utilities or are otherwise necessary consistent with safety requirements and appropriate permits.

**2.07(b)(ii) During Stage 2: West 131<sup>st</sup> Street and West 132<sup>nd</sup> Street may be closed to permit staging and construction, except that one traffic lane in either West 131<sup>st</sup> Street or West 132<sup>nd</sup> Street shall remain open at all times, except when closure of both streets is required on a temporary basis;**

Obligation Section Number: **5.07(c)(iii)**

Obligation Title: **Mobile Dental Center for Pre-School Children**

Obligation Page Number: **52**

Obligation Trigger: **Acquisition by ESD or CU of all Initial Stage 1 Condemnation Parcel(s)**

Obligation Start Date: **March 12, 2012**

Obligation End Date: **March 12, 2037 (25 Years from Commencement)**

Obligation Status: **In Compliance**

**Obligation: Innovation/Changed Conditions**

In accordance with the Declaration of Covenants and Restrictions Section 5.08, Obligation 5.07 (c)(iii) is modified to clarify the obligation. In general, the scope of services to be provided has not been changed. Empire State Development and Columbia University agreed to this modification on November 28, 2018.

**Modified Language:**

*Mobile Dental Center for Pre-School Children.* Commencing with the acquisition by ESD or CU of all Initial Stage 1 Condemnation Parcels, and continuing for a 25-year period commencement, CU shall extend its Mobile Dental Center to service pre-school children and seniors from the Manhattanville in West Harlem area. CU's College of Dental Medicine operates a mobile Dental Center. It is fully equipped with two dental operatories, x-ray equipment, waiting/oral health education area and handicapped accessible chairlift. The Mobile Dental Center is staffed with a dentist, pediatric resident, dental hygienist, dental assistant, and driver/data entry clerk. The Center currently travels to over 50 local Day Care and Head Start centers throughout northern Manhattan during the school year offering children ages 3-5 years comprehensive dental care. Parked adjacent to the host site two or more times per month, follow-up appointments are made every six months. Children requiring specialty services are referred to affiliated Community DentCare or Children's Aid Society dental clinics located throughout Washington Heights/Inwood and Harlem. CU's partnership with Alianza Dominicana facilitates enrollment into Medicaid or Child Health Plus for the uninsured.

**Alternatives Based on Changed Conditions**

While the Declaration states the Mobile Dental Center shall service pre-school children and seniors, dental services for seniors are now offered through the ElderSmile program as reflected in the next commitment under Section 5.07(c)(iv).

The services remain the same. The modification clarifies the program through which the services are provided. The Mobile Dental Center focuses on pre-school children. The ElderSmile Program focuses on seniors. Services continue to be provided within the catchment area defined in the commitment overview above. Visits to each host site by the Mobile Dental Center are scheduled in coordination with leadership of each host site. The frequency of visits is determined in collaboration with each site based on site availability and preference. Follow-up appointments are made in accordance with each individual patient's dental requirements and in coordination with each site.

Columbia has completed this obligation and transferred the obligation to provide curriculum support to the faculty of the new school to Obligation 5.07 (c)(ix) Availability of Faculty. Empire State Development and Columbia University agreed to this transfer on November 28, 2018.

*New Public Middle and High School for Math, Science and Engineering.* CU has collaborated with NYCDOE and has already agreed to provide the land necessary (via a rent-free, 49-year lease) to create a new public secondary school that will address the critical need to improve education in science, math and engineering for students in New York City on a site immediately adjacent to or within the Project Site.
