Re: Installation of Wireless Internet Access on Manhattanville Campus

Dear David,

This letter serves as an amendment to the letters dated September 28, 2017 and September 4, 2018, to include the additional spaces on the Manhattanville Campus that are now being provided wireless internet access.

Columbia University Information Technology has successfully installed and will continue to maintain wireless internet access in the following areas of the Manhattanville Campus:

As of September 2017
- Jerome L. Greene Science Center
- Lenfest Center for the Arts
- Small Square Open Space (also known as The Plaza)

As of September 2018
- University Forum
- The Grove Open Space

As of December 2021
- Columbia Business School – Henry R. Kravis Hall
- Columbia Business School – David Geffen Hall
- Large Square Open Space (also known as The Square)

It continues to be CUIT’s understanding, based on conversations between CU Facilities (MDG) and NYC Parks, that the West Harlem Piers Park remains covered with free WiFi under an agreement between the NYC Parks and Time Warner Cable (now Spectrum). Accordingly, CUIT considers the obligation to provide free WiFi in West Harlem Piers Park to be satisfied.

Sincerely,
