Declaration Reference and Key Data

Obligation Section Number: **5.07(c)(xviii)**

Obligation Title: **Summer Camp**

Obligation Page Number: **56**

Obligation Trigger: **PACB Approval**

Obligation Start Date: **May 20, 2009 (PACB Approval date)**

Obligation End Date: **May 20, 2036***

Obligation Status: **In Compliance**

Obligation: Innovation/Changed Conditions

In accordance with the Declaration of Covenant and Restrictions Section 5.08, Obligation 5.07 (c)(xviii) is modified to clarify the obligation. In general, the scope of services to be provided has not been changed. Empire State Development and Columbia University agreed to this modification on November 28, 2018.

Modified Language:

Summer Camp. Commencing in May 2009, CU shall offer 25 Little Lions Camp scholarships per summer to children from the Manhattanville in West Harlem area to attend CU's Little Lions Camps, or its successor program, until 2033 or for a period of 25 years, whichever is longer.

In Fall 2016, Columbia Athletics changed the name of this program from Cubs Camp to Little Lions Camp. The services provided and process for scholarship distribution remains the same.

*Considering safety measures related to COVID-19, the University made the difficult decision to cancel Little Lions Camp for summer 2020 and summer 2021. The decision was made to extend this commitment for an additional year for each year that the camp was not able to run, with a new commitment end date of May 20, 2036.

Little Lions Camp, is the Columbia University Athletics Department's day camp for all children ages 6 through 12. It is located in New York City, on Columbia University's historic Morningside Heights campus and at the new Baker Athletics Complex. Campers will have access to Columbia's top-notch Division 1 Athletic facilities.

Little Lions Camp is a kid-centered, fun-based day camp that's main focus is keeping kids physically and creatively active. Programming features an ever changing combination of classic PE games, backyard favorites, sports, and special surprises to keep kids happy, active, and engaged. A highly-trained, eclectic staff that utilizes physical education: teachers, athletes, camp veterans, creative types and child care specialists ensure that games are always changing and that counselors can tailor programming to fit children's needs and likes.

What is kid-centered programming? Kid-centered programming means our camp staff plans daily programming with the kids likes and dislikes in mind, but daily schedules might change based on the counselors' overview of the day. Wednesday at 2 o'clock might mean a trip to the track, but if our counselors decide the group will be better working on a different activity, they are trained to be flexible and receptive.
