

Manhattanville in West Harlem Campus Plan

Construction Activities for the Next Two Weeks

Columbia's long-term plan for the old Manhattanville manufacturing area will revitalize the four former industrial blocks from 125th/129th to 133rd Street between Broadway and 12th Avenue, and three small blocks along the east side of Broadway from 131st to 134th Street, into an environmentally sustainable and publicly accessible center for academic and civic life woven into the fabric of the West Harlem community.

Street Closure of West 131st Street – Weekends of December 20-21 and December 27-28

What is Happening

During the weekends of December 20-21 and December 27-28, West 131st Street (between Broadway and 12th Avenue) is anticipated to be fully closed to vehicular traffic between 7:00 a.m. to 4:00 p.m. This street closure is required to set up a crane to load materials onto the roof of the Studebaker Building. West 131st Street is anticipated to reopen on Sunday, December 21 and Sunday, December 28 at 4:00 p.m. after the crane has been dismantled.

-Please note that all activities are subject to change based on weather and other field conditions-
