

Manhattanville in West Harlem Campus Plan

Construction Activities for the Next Two Weeks

Columbia's long-term plan for the old Manhattanville manufacturing area will revitalize the four former industrial blocks from 125th/129th to 133rd Street between Broadway and 12th Avenue, and three small blocks along the east side of Broadway from 131st to 134th Street, into an environmentally sustainable and publicly accessible center for academic and civic life woven into the fabric of the West Harlem community.

Groundwater Sampling Activities Tuesday, April 21

What is Happening

On Tuesday, April 21, groundwater samples will be collected by a vacuum truck from a well at the northwest corner of the Lee C. Bollinger Forum along the southside of 129th Street. Additional sampling is anticipated to occur on or around May 21.

-Please note that all activities are subject to change based on weather and other field conditions-

What to Expect

- Work hours are 8:00 a.m. to 4:00 p.m. Please note that the contractor may begin set-up preparations approximately 60 minutes before work commences.
- Markers will be posted to guide pedestrians around the work area.
- Expect noise, possible odor, and other impacts typically associated with construction projects.
